Speaker’s Program

Information about each Design Team and Club was given.

- Jade Edmonds spoke about how to get involved with Engineers without Borders by attending weekly meeting held in Seaton on Thursday nights at 5:30

- Justin Frazier spoke about how to get involved with the Robotics team. They have won the past eight years at the annual ASABAE completion, and took first and third last year with two teams.

- Aaron Akin and Alison Cioffi talked about how to get involved with fountain wars. They showed a video of the fountain they built last year to showcase what they do.

- Tyler Montgomery and Ryan Strasser spoke about how to get involved with tractor team. They meet every Monday at 5:30 in Seaton.

Virginia Brown spoke about her internship with Land O’ Lakes. She interned in the Environmental, Health, and Safety department.

Finally everyone participated in an ice breaker at the end of the meeting. Each person had a bag of M&M’s and had to answer a question about themselves based on the color of the M&M’s.
