President’s Report

President Chloe Boudreaux discussed open house, reminding students to sign-up for skits, pancake feed shifts, and display presentations. President Boudreaux also presented the department polo design. The polo will be in three colors, purple, black and white. Students should order polos in Barb’s office, Seaton 129, and can be paid for during pick-up.

Committee Chair Report

Open house chair Cheri Mahoney discussed the plan for open house. The theme will be Star Wars. This will specifically include death star, Dagobah, Tatooine, Coroocant. Boom Comics will also be donating some props. Cheri also discussed point opportunities: work night, being a guide, participating in the skit, and presenting a display. Cheri also announced that all students working during open house should be dressed as a star wars character.

Speaker’s Program

President Boudreaux introduced project engineer Kristen Yost. Mrs. Yost was a graduate of the Kansas State University BAE program. She is a project engineer for Pfizer, at the McPherson site. Mrs. Yost explained that her company produces drugs for other companies. She also talked about how the manufacturing process works. She also discussed the Technical Professional Development Program
This is a program for graduates to build their technical skills with Pfizer. They would go through multiple rotations in a two year time span. Lastly, Mrs. Yost talked about general tips for workplace etiquette. She discussed keeping a positive attitude, avoiding gossip, sending short emails, and to not get discouraged.

Announcements

President Boudreaux reminded students that officer elections for the 2016/2017 school year will be held at the April meeting on April 14th, 2016.

President Boudreaux also reminded students that they are required to sell three pancake feed tickets by the April meeting. Ticket money should be turned into Barb at Seaton 129.

President Boudreaux adjourned the meeting
