TIME TO CHANGE PASSWORD FOR eIDs:
September 14 is the deadline to change your eID password. To change your password, sign in on the eid.k-state.edu website. Click “Change your eID password” and follow the steps. After changing your K-State eID password, please update your College of Engineering password to match your new eID password at: http://password.engg.ksu.edu. Passwords can be 7 to 30 characters (letters, numbers, and/or punctuation marks); and must contain characters from 3 of the 4 following categories: uppercase letters, lowercase letters, numbers, special characters (!, @, #, $, %, ^, &, *, etc.); must have at least 5 different characters; cannot be based on a computing ID or real name; cannot be an identifiable work, name, eID, acronym, or K-State related name; can be a multi-word phrase; cannot be one of the 4 million+ words known and used by hacker programs to break into accounts. Go to https://eid.k-state.edu/eProfile/jsp/password/faq.jsp#required for password requirements. REMEMBER: K-State will NEVER ask for your password via e-mail. Any message that asks for your password is a phishing scam and should be deleted immediately.
