Annual Progress Report on Assessment of Student Learning for the ATM Program (2008-2009)

SLOs 1, 2, and 3 were assessed during the 2008-2009 academic year by way of student performance on homework, laboratory assignments, examinations, and student self-assessment. Assessment results suggest that ATM students are achieving all three SLOs. During the 2009-2010 academic year we will continue to assess SLOs 1, 2, and 3 and will devise a plan to transition into assessing SLOs 4, 5, and 6 in academic year 2010-2011 and beyond. Additionally, we will develop a timeline to begin assessing SLOs 7, 8, and 9 in the coming years.
