NATURAL RESOURCES AND ENVIRONMENTAL SCIENCE AND SUSTAINABILITY SCIENCE SEMINAR SERIES:
Dr. Stacy Hutchinson will discuss issues surrounding water quantity and quality, and how engineers contribute to a better understanding of water resources in urban and rural areas. The lecture will begin at 11:30 a.m. March 4 in the K-State Student Union Little Theater; all are invited to attend.

TRAVELS:
Dr. Joe Harner was invited by Diamond V to give a presentation on feed mill design and reducing feed shrinkage in Milwaukee, Wisconsin last week.

Currently, Dr. Harner is in Harbin, China to speak on designing dairies in frigid/cold environments at the Dairy Housing Conference.

BSE STUDENTS:
BAE 020 meets this evening at 6:00 p.m. in DUF 1107. Be sure to attend to get departmental updates and your point for attendance!

BAE 815 SEMINAR:
Dr. Ajay Sharda will be the guest speaker this week. Seminar begins at 3:30 p.m. in Seaton 133 on Thursday, March 6.

WALK KANSAS – BAE TEAM:
Walk Kansas is a team based program designed to help you and others lead a healthier life. Walk Kansas 2014 (www.walkkansas.org) is March 16 through May 10 and all K-State Research and Extension (KSRE) employees are encouraged to participate. This activity is supported by Healthy You - the KSRE Workplace Wellness Leadership Team. There is no registration cost for KSRE employees and one "supporter" (family member, friend, etc.).

How Walk Kansas works:
- Each Walk Kansas team includes six people with one serving as captain.
- From March 16 through May 10, each participant will log minutes of moderate/vigorous physical activity and cups of fruits/vegetables eaten each day.
- Participants report weekly to their team captain, and captains report team progress on the website and each participant receives a weekly newsletter with healthy lifestyle information, success stories, WK news from across the state, recipes, etc. You can check progress of your team at www.walkkansas.org and "like" Kansas State University Walk Kansas on Facebook for more inspiration!
- Teams that report regularly will be entered into a weekly drawing for incentives.
- Walk Kansas apparel and accessories are available for purchase.

If you are interested in joining the BAE Team, see Arlene Jacobson in Seaton 129 by March 11. She will be happy to provide you with more information.

THOUGHT FOR THE DAY:
"Whenever you find yourself doubting how far you can go, just remember how far you have come. Remember everything you have faced, all the battles you have won, and all the fears you have overcome."

--Author Unknown

LOOKING AHEAD:
March 17-21 – Spring Break!
March 24 – Enrollment for Summer/Fall 2014 begins
March 31 – Last day to drop a regular session course
April 4-5 – 92nd College of Engineering Open House
April 5 – All University Open House
April 25 – Last day for graduate students to confirm (online) May commencement attendance; last day for graduate students to submit documents for May graduation
May 7 – BAE/ATM Advisory Council meeting
May 9 – Spring 2014 semester ends
May 12-16 – Finals Week
May 16 – Graduate School Commencement
May 17 – Undergraduate Commencement
May 20 – Spring 2014 final grades submission deadline: KSOL 4:00 p.m.; iSIS 5:00 p.m.
May 21 – Grade available in iSIS
May 26 – University Holiday
May 27 – Summer 2014 semester begins
