Textbook Reporting Requirements Reminder:
Information about required textbook and supplemental materials must be made available to students for their courses by July 1, 2010. Textbook information must be correct and only provided when faculty know the textbook they will use. If there is no textbook for a course, this information must be provided to the bookstore. Go to: [http://www.k-state.edu/isishelp/faculty/textbookreportingF.pdf](http://www.k-state.edu/isishelp/faculty/textbookreportingF.pdf) for instructions on reporting textbook information.

Thought for the Week:
“Liberty is to the collective body, what health is to every individual body. Without health no pleasure can be tasted by man; without liberty, no happiness can be enjoyed by society.”

--Henry Bolingbroke
