BAE FACULTY (PAST AND PRESENT) PARTICIPATED IN INAUGURAL RUN:
The Bill Snyder Highway Half and 5K Inaugural Run was held on Saturday, May 23. Not only was this a great event and a good time, but money was raised for the Homecare & Hospice of Manhattan. Runners were shuttled from the Bill Snyder Family Stadium to the starting line which was at I-70 and Highway 177. Participants ran into town on the northbound lane on the east side, down Poyntz Avenue, around City Park, through Aggieville and the K-State campus and finished at the Bill Snyder Family Stadium. The 5K race started and finished at the Bill Snyder Family Stadium. The runners headed east on Kimball, south on Denison, looped down by the campus and back to the stadium.

Joe Moore, husband of Dr. Trisha Moore (assistant professor in BAE), was the overall winner (01:05:48); Dr. Trisha Moore ranked 20th overall and 2nd in the women’s 30-34 division (01:26:30). Emeritus professor, Marvin Hachmeister, ranked 1st in the 5K men’s 80+ division and 151st overall (00:31:15). A total of 1,011 runners finished the half marathon, 389 finished the 5K. Congratulations to all!

¼-SCALE TRACTOR STUDENT DESIGN TEAM COMPETITION:
The BAE ¼-scale tractor team leaves Seaton Hall tomorrow heading to Peoria, Illinois for competition May 28-31. A panel of industry experts will judge each design for innovation, manufacturability, serviceability, maneuverability, safety, sound level and ergonomics. Written design reports from all teams were submitted prior to competition. At competition, each team must sell their design in a formal presentation to industry experts. The tractors are then tested in two performance events: three tractor pulls and a durability course. Safe travels and good luck at competition!

LANDON LECTURE – MAY 27:
All are encouraged to attend the Landon Lecture tomorrow beginning at 10:00 a.m. in Forum Hall (doors open at 9:30 a.m.). Jeh Johnson, Secretary of the U.S. Department of Homeland Security, is the lecturer. No large bags or backpacks will be allowed on the lecture hall.

LET’S CLEAN AND GO GREEN ANNUAL EVENT:
Got unwanted, outdated or broken equipment, apparatus, furniture, fixtures and chemicals in your labs, offices or storage areas? These items will be collected, at no cost to departments, June 22 through July 9. Details on scheduling and procedures will be in K-State Today in mid-May. K-State Recycling, Financial Services and Environmental Health and Safety are partnering to make this cleanup event possible.

THOUGHT FOR THE DAY:
“Believe that you can run farther or faster. Believe that you’re young enough, old enough, strong enough, and so on to accomplish everything you want to do. Don’t let worn-out beliefs stop you from moving beyond yourself.”

--John Bingham

LOOKING AHEAD:
May 25 – University holiday
May 26 – Summer 2015 term begins
May 28-31 – ASABE International ¼-Scale Tractor Student Design Competition, Peoria, IL
July 3 – University Holiday
August 3 – August intersession begins
August 14 – Summer 2015 semester ends
August 14 – Last day for graduate students to submit documents for August graduation
August 18 – Fall International Student Orientation
August 19 – Graduate School New Student Orientation
August 21 – August intersession ends
August 22 – Residence halls officially open
August 24 – Fall 2015 semester begins
September 7 – University Holiday
September 10 – COE Fall Convocation, Fiedler Auditorium, 3:00 p.m.
