ALL-UNIVERSITY CAMPAIGN BEGINS 11TH YEAR

The All-University Campaign is led by faculty and staff volunteers to generate financial support for people, places and programs at K-State. This is an opportunity for employees of K-State to make a gift to the area they care about most. State appropriations provide less than 25% of the university budget, and private gifts help make up the difference. By participating in the All-University Campaign, we show our pride in our university and in doing so, we send powerful messages to the legislators, corporations, foundations, alumni and friends that we are committed to K-State. You decide what you want to support: student scholarships, faculty support, research, new programs, facilities/equipment, etc. A list of examples will be included in the participation packet which has been placed in your campus mailbox. Names of employees participating in the All-University Campaign between September 12 and November 18 will be entered into a weekly drawing for prizes. For more information on the campaign, go to: [http://www.found.ksu.edu/auc/index.html](http://www.found.ksu.edu/auc/index.html)

ALUMNI MENTOR PROGRAM

The College of Engineering Alumni Mentor Program connects current COE students with alumni. Students will be matched with a mentor based on background, experience and interest. The program is a nine-month series, September through May, and is designed specifically for COE students (sophomores, juniors and seniors). For details on the program and application, go to: [http://www.engg.ksu.edu/alumni-mentor/](http://www.engg.ksu.edu/alumni-mentor/)

2016 RESEARCH AND THE STATE
