BAE E-News
Week of September 27, 2010

TRAVELS:
Dr. Bob Wolf will be in Montana (Billings, Bozeman, Green Falls, and Missoula) this week participating in pesticide applicator training workshops.

PUBLICATION:

BAE 815 SEMINAR:
Dr. Bernardo Predicala, visiting scientist in BAE, will be the guest speaker in BAE 815 this week. His presentation is titled *Engineering Research at Prairie Swine Centre, Inc.: Conducting Near-Market Research in Support of the Pork Industry*. Dr. Predicala’s presentation begins at 1:30 p.m. in Seaton 127.

BAE T-SHIRT ORDERS:
Orders for BAE t-shirts are being taken through October 8. Black or white shirts/long- or short-sleeve are available. See Barb in Seaton 129 if you are interested in ordering; the artwork is attached to the order sheet. Prices range from $6.88 to $9.60 for short sleeve and $10.32 to $13.55 for long sleeve; plus 8.55% sales tax. The larger the order, the better prices we will get. Payment will be due when the shirts are received. Please note that extra shirts will not be ordered by the department. If you want a t-shirt, now is the time to order. Polo shirt orders will be taken during the early part of Spring 2011 semester so you will have them in time for Open House activities.

CAMPUS RECYCLING:
Glass beverage bottles and plastic bottles may now be recycled at the same location. All recycling bins marked for plastic bottles will now also take glass bottles. Division of Facilities is currently changing the signage on the collection bins to reflect this change.

Items currently being accepted for recycling on campus are:
- Paper – newspaper, mixed paper (i.e., white and color, index cards, computer paper, white envelopes), shredded paper, magazines, phone books
- Cans – aluminum only
- Cardboard – regular and corrugated, cardstock, paperboard, poster board, file folders
- Plastic - #1 and #2 plastic (remove lids!)
- Glass beverage bottles

Items recycled by arrangement:
- Computers – contact Facilities at 532-6446, or e-mail recycles@ksu.edu
- Batteries, light bulbs, transparencies – contact Department of Environmental Health and Safety at 532-5856 or www.k-state.edu/safety/environmental/hazardous-waste; small batteries may be mailed through Campus Mail to 108 Edwards Hall

THOUGHT FOR THE WEEK:
“The most beautiful thing in the world is, precisely, the conjunction of learning and inspiration. Oh, the passion for research and the joy of discovery!

-- Wanda Landowska

LOOKING AHEAD:
September 27 – Last day to DROP a course without a “W” being recorded
October 4 – Engineering Scholarship Day, K-State Student Union
October 12-13 – 2010 Kansas Energy Conference in Wichita
October 24-30 – Homecoming
October 25-November 19 – Enrollment for Spring 2011
October 26 – Water and the Future of Kansas Conference, Topeka, KS
October 29 – Last day to DROP a course
November 22-26 – Student Fall Break
November 25-26 - Thanksgiving Holiday
December 8 – BAE Advisory Council Meeting, 133 Seaton Hall
December 10 – Graduate School Commencement
December 11 – COE Graduation Reception, 12:00-2:00 p.m.
December 11 – Undergraduate Commencement: COA-1:30 p.m.; COE-3:00 p.m., Bramlage Coliseum
December 13-17 – Finals week
December 24 – University Holiday
December 31 – University Holiday
