ANNUAL FOOD DRIVE FOR THE FLINT HILLS BREADBASKET:
The annual Tau Beta Pi Food Drive competition between the College of Engineering departments to benefit the Flint Hills Breadbasket will be **November 10-14**. Please bring canned, boxed food items or cash ($1.00 = 1 can/point) donations to Seaton 129. All donations go to the Flint Hills Breadbasket. Check out those grocery ads to see where the best deals are on canned goods. **BAE 020 Students:** You can earn a point for BAE 020 by donating 10 canned goods or $10.

BAE FACULTY MEMBER RECEIVES GRANT:
BAE assistant professor, Dr. Mei He (K-State Olathe), has received an international incentive grant from the K-State international office for establishing collaboration and developing novel global food technology in China. This grant will foster the research collaboration with the Oil Crops Research Institute of the Chinese Academy of Agricultural Sciences, and invite experts to visit BAE at the K-State Olathe and Manhattan campuses next spring. A smartphone based, food nutrition monitoring and communication platform (TeleFood System) will be developed and initiated by this grant.

CALL FOR ABSTRACTS: 2014 K-STATE RESEARCH FORUM
The Graduate Student Council is accepting abstracts for the annual K-State Research Forum which will be Tuesday, March 31, 2015, in the K-State Student Union. Participation is open to K-State graduate students from all disciplines. Students may give either a poster or oral presentation. K-State faculty members will serve as judges and will select the top presenters in a variety of categories to receive awards. Deadline for abstract submission is Friday, December 19, 11:59 p.m. Registration and abstract submission instructions may be found at: [http://www.k-state.edu/grad/students/studentcouncil/research-forums/](http://www.k-state.edu/grad/students/studentcouncil/research-forums/)

ENGINEERING COMPANY SPOTLIGHT:
This is an opportunity for students to learn more about top companies that hire K-State engineers and support the College of Engineering and/or Career and Employment Services. Companies will host a tabling session from 3:00-5:00 p.m. in the Engineering Atrium on the below dates. Afterward engineers and HR personnel will present an info session about their company at 5:30 p.m. in Fiedler Auditorium. Faculty, staff and students are encouraged to take part in these opportunities to network with alumni and guests of the College.

- November 13 – Halliburton
- November 20 – Payless Shoesource

2014 ENGINEERING UNDERGRADUATE RESEARCH POSTER FORUM – December 4:
This event is a showcase of research and scholarly activities conducted by undergraduate students in the College of Engineering at K-State. It provides students an opportunity to share their research activities with fellow K-State students and faculty and to gain experience presenting their work in a professional setting. Students’ posters will be judged by a panel of K-State faculty, with the top three students given awards. More information and registration directions (deadline for registration is November 12) are available at [www.engg.ksu.edu/ergp/undergrad_research/PosterForum](http://www.engg.ksu.edu/ergp/undergrad_research/PosterForum).

THOUGHT FOR THE DAY:
“On this Veterans Day, let us remember the service of our veterans, and let us renew our national promise to fulfill our sacred obligations to our veterans and their families who have sacrificed so much so that we can live free.” --Dan Lipinski
